

## Rotary Club of Folkestone

### Charity Golf Day

**Thursday 1st September 2022**

### Sene Valley Golf Club

This is the sixth edition of our Charity Golf Day and is an 18 hole Texas Scramble team event with prizes for Teams and Individuals, as well as a raffle with many other prizes. This year we are supporting the Folkestone Schools' Uniforms Project again, given the current stresses on household budgets, with the full proceeds of the golf day going towards this cause.

#### Folkestone Schools' Uniform Project

This is the second time that Rotary has been working with local primary schools to help provide uniforms (plus PE kits, shoes and coats) to Folkestone families in need. Due to Covid, and the increase in living costs, there are now more working families that find themselves in need. Many of these families have never experienced this sort of hardship before and are having to try and cope with very little help. The School Uniform Fund has been designed to support such families and through working with the School Liaison Officers families we can identify those we can best support. School uniforms can be very expensive (on average £200 for secondary school), and so far the fund has been used mainly to purchase secondary school uniforms for those children transferring from year 6 to 7. It is so important for a student to feel that they are part of their new school and having a brand new uniform will support them in this. Please help us to help as many local children as possible to ensure a good start at school.

We hope that we can generate lots of support for the event not only from golfers but individuals and local companies who could donate raffle prizes and through the purchase of raffle tickets on the day.

As previously, we have chosen a Texas Scramble because it is a fun format and allows everyone to fully stay in the game, despite the occasional poor shot! We are looking for teams of four to come along for a great day. The event is a shotgun start commencing promptly at 11.30am so please turn up at least 30 minutes earlier in case you draw on of the furthest start holes! Team handicap will be played and the best score per hole should be recorded. The best team score will win the Team prize with other prizes for runners up, nearest the pin and longest drive. The golf will be followed by a BBQ meal and prize giving.

If you are unable to play but still wish to support us we would be delighted to receive a donation or a gift that we can give as a prize.

We are keeping the cost the same as last year (despite increasing costs to us) ie £35 per player (SVGC members £25). The BBQ meal afterwards is included in the cost. So, buying extra raffle tickets would help out!

Payment with Entry please; just complete the Entry Form overleaf and email or post it to the organiser:
