
NEWS RELEASE

19TH FOLKESTONE ROTARY HALF MARATHON

Sunday 29th September 2024

Folkestone, Kent – 29th September 2024

Forward comment from Race Director Ray Johnson:

"Sunday saw the long-awaited Folkestone Half Marathon return for 2024, setting Folkestone alight with race day vibes and finish line smiles in the autumnal sunshine. With over 700 entries, the race enjoyed a record year and The Leas was bursting with runners, supporters and charity groups flocking to take part in this magnificent community event.

It's not just the stunning seafront route and electric atmosphere that makes this race such a calendar highlight. The Folkestone Half Marathon benefits from the support of local groups such as The Cadets and has raised over £650,000 for charities in the area since it first began. It's an event with community at its heart supported by the very same at every level of organisation.

This year saw funds raised for The Folkestone Rotary and Touchbase Care, a daycare centre in the heart of Folkestone supporting those with physical and learning disabilities, neuro-diverse conditions and sensory impairments through a dynamic program of creative, active and therapeutic activities.

With the Road of Remembrance still inaccessible, the Half Marathon entertained a different route for 2024 but our runners remained undeterred, still braving the blustering winds to cross the finish line. They were cheered on by crowds of spectators who came to lend support to their valiant efforts and join the race day celebrations.

First place male was taken by Keith Fairbank who flew across the finish line in 01:17:38. First female was awarded to Manda Gurung who completed her Half Marathon in an incredible 01:31:31. Folkestone Running & Athletics Club proudly took away the first team prize in both the male and female categories. It was a splendid day of racing enjoyed by all on The Leas.

We look forward to welcoming back our triumphant runners to The Folkestone Coastal 10k next May and, of course, back to The Folkestone Half Marathon in 2025!"

Help was received with sincere thanks from over 100 marshals and assistants including Hythe, Channel & Folkestone Rotary Clubs, Nice Work and many local support volunteers including the Police Cadets. I would also like to thank our many sponsors including Alcaline Transport, The Roger De Haan Charitable Trust, Tag Trees, Folkestone & Hythe Catering Association, McDonalds and Podplus. Our thanks also to Folkestone & Hythe District Council, NHS and Riviera Residents Ltd for their valuable support.

Once again, we have received tremendous feedback from the runners congratulating us for such a great event, by way of organisation, encouragement from marshals and most importantly holding the event safely particularly with a new route due to the Road of Remembrance hill being closed."
